

IMPORTANT NOTICE

SkyTel will be migrating to a new billing system effective **February 24, 2012** with the new billing system we will introduce

- **New On-Line Account Management Tools Effective February 27, 2012**
- **A new billing statement effective with your April 1st 2012 invoice. A sample has been included for your reference or visit www.skytel.com to view it on-line.**

Please note that with any new billing system there may be small variations in how usage and taxes are calculated, this may cause your invoice totals to be slightly different.

REGISTER FOR "MY PAGING ACCOUNT"

On February 27th please log on to www.skytel.com to register and establish your My Paging Account (MPA) access. For registration please have the following available:

- A valid email address (this email address will act as your User ID)
- **Your account number** *(Enter your existing account number and your new account number will be displayed)*
- The billing zip code on your account
- One of the pager numbers listed on your account.
