This is the contracting officer's written notice that GSA is invoking the following contract clause as of 10/22/2008. This period should only last as long as it takes to transition a customer off this contract, but no longer than 12 months from 10/22/2008, the contract expiration date.

B 29. Continuity of Services.

(a) The contractor shall recognize that the services under this contract are vital to the Government and must be continued without interruption, and that upon contract expiration or termination, a successor, either the Government or another contractor, may provide the same or similar services. The contractor agrees to phase-in coordination (coordinating the orderly change to new contract of Government provided services such that the level and quality of service are not degraded), and to exercise its best efforts and cooperate to effect an orderly and efficient transition to a successor.

(b) Upon the Contracting Officer's (CO) written notice, the contractor shall:

The price of services provided during the phase-in phase-out period shall not exceed the prices in effect under the contract on the date of contract expiration, contract termination, contract discontinuance, or relocation of service.

(2) Negotiate in good faith a plan with a successor(s) for determining the nature and extent of phase-in phase-out services required. This plan shall specify interconnection and transition procedures enabling the services to be provided at the levels and quality called for by this contract.

(c) Upon the CO's written notice at contract expiration, the contractor shall continue performance under the existing terms and conditions (including price) of the contract for a period of up to 12 months as specified by the CO.

2. No other changes.
